

Four things you'll walk away with

YOU - Deeper self-awareness of your leadership strengths, potential blind spots, and areas of synergy and conflict within your team

YOU + TEAM - An understanding of your team's makeup, including their strengths, potential blind spots, gaps, and trouble areas

YOU + TEAM + WORK - The ability to see yourself, your team, and your strategy in one centralized place to identify alignment and gaps

A PLAN - A clear path forward to begin building dream teams that deliver results for your business

1:1 Session

Session Goals

1. **YOU** - a deeper self-awareness of your leadership strengths, potential blind spots, and areas of synergy and conflict within your team
2. **YOU + TEAM** - an understanding of your team's makeup, including their strengths, potential blind spots, gaps, and trouble areas
3. **YOU + TEAM + WORK** - the ability to see yourself, your team, and your strategy in one centralized place to identify strengths, alignment, and any gaps

Notes

This is one 90-minute virtual 1:1 session

Deliverable & Next Steps

DELIVERABLE - after the session you will receive a presentation deck to show your team highlighting your unique Work Styles Framework™. Your team will each receive their own PI Behavioral Assessment™. You will get an outline of specific next steps you could take to improve your team's ability to execute on your strategic objectives
